12% vol.
75 cl

CONTAINS SULPHITES

Wine: Vin de Table blanc
Producer: Dufouleur Père & Fils
Grape: Blend of Sauvignon, Ugni blanc and Grenache
Alcohol: 12%

Vinification and maturing

The three grape varieties have been vinified separately to outline the tipicity of each variety. Once the aloholic and malo-lactic fermentations were over, the wines have been blended and left to mature in stainless steel vats to keep all its freshness both on the nose and on the palate.

Tasting notes

Nice gold-pale robe, green tints, brilliant and clear. Open and very up front nose on aromas of grapefruit and exotic fruits. Touch of white flowers, mineral substances and dry fruits on the second nose. Clean attack in mouth, crisp, full of freshness, well balanced and lively, round with a long lasting on fresh fruits aromas

Food pairing

Enjoy it on its own as an aperitif, or with fish based dishes, seafood and shells as well as cold starters, white meat (poultry, veal) and Comté or goat like cheese.

Serving temperature

11/12°C

(Indeholder sulfitter)
