CONTAINS SULPHITES

Wine: Vin de Table rosé
Négociants-eleveurs Dufouleur Père & Fils
Grape: Blend of Syrah and Grenache
Alcohol: 12%

Vinification and maturing

The various grape varieties have been vinified separately (a very short period of maceration at first (few hours) to extract the pink colour, alcoholic fermentation then in open vats). The two wines have then been blended and left to mature in stainless steel vats to keep all of the freshness, both on the nose and on the palate.

Tasting notes

Nice orange-pink robe, clear and brilliant. Open and nice bouquet of fresh ripe fruits (apricot, cherry & prune) with a touch of spices and flowers. Soft attack in mouth, fresh, crisp, well-balanced, middle structured, supple and round with extremely soft tannins to make it nice and easy, full of fruits.

Food pairing

Enjoy it with grilled or roasted light meats, sausages and barbecues. May also be served with cold starters or drunk over a light summer meal !

Serving temperature

At a temperature of about 11°C

(Indeholder sulfitter)
