

Code EAN : 3543290005111

Configuration

Bottles capacity with 4 sliding shelves :
39 Bottles*

Range :	COSY
Function :	Ageing (I-temperature)
Reference :	COSYPIT
Equipment :	4 sliding shelves
Capacity :	39 Bottles*

- Homogenous constant and reliable temperature thanks to the wine cabinet insulation, the controller and the aluminium walls.
- Humidity rate between 65% and 80% ensuring by our product design, the cooling and venting system,
- The natural venting system of our wine cabinets ensures constant air renewal within the wine cabinet.
- Ideal protection against UV rays thanks to our glass door with double pan reinforced with gaz argon to filter up to 97% of the UV rays.
- No vibration thanks to the slow-cycles compressor fixed on silentblocs + evaporator flooded in the high density polyurethane foam.

General Features

Dimensions H x W x D (mm) :	818/834 x 594 x 555**	Weight cabinet empty (kg) :	45
Dimensions in pack (mm) :	1000 x 620 x 620	Weight equipped cabinet (kg) :	52
Colors :	Black	Weight in pack (kg) :	60
Door :	Glass door with black frame	Useful volume (L) :	116

Equipment & Accessories

Equipment

- Glass door black frame, stainless steel handle
- Reversible door
- One humidity cassette
- Interior lighting with 2 white Leds integrated under the control panel ; two lighting options: On/ Off
- 4 adjustable feet and 4 hexagonal pillars to elevate the wine cabinet
- 2 hinges: one for the stand alone installation and one for the built-in installation

Accessories

Universal shelves : **ACHUI**

Code EAN : 3543290005159

Material : Solid beech wood.

Modular system : you can choose the shelf configuration :

Sliding shelf

Presentation shelf

Storage shelf

The label holder allows you to identify your bottle quickly and easily

Suitable to store all types of bottles

Technical features

Control Panel

- Electronic regulation from 9°C to 15°C; one identical temperature inside the wine cabinet
- Inner electronic display, LED screen with white display with touch buttons
- Hygrometry rate of the wine cabinet display possible
- Visual alarm : sensor fault, temperature fault and humidity default
- Temperature display with touch buttons

Performances

Cold production :	Static cooling
Hot production :	Heating element
Winter function :	Automatic
Gaz uses :	R600a
Recommended temperature range :	From 0°C to 30 °C
Inner material:	Aluminium
Insulation type:	PU foam
Niveau sonore (db(A)) :	41
Classe d'émission acoustique :	C
Consommation (kWh/ An) :	188
Classe d'efficacité énergétique :	G

* Traditional Bordeaux bottles

** With the rear stop, without the handle
